

doubles indoor volleyball and triples

at Southwick Leisure Centre

Men's and Women's Doubles

Saturday 30th April 2011

Mixed Triples

Sunday 1st May 2011

What sort of competition is it?

This is a Indoor tournament with beach rules applying (with a couple of slight differences!). Both the Doubles and Triples entries will be allocated into pools, with all teams in each pool playing each other once. Teams will then be sorted into upper, middle and lower pools for a second set of pool matches before play offs to determine the winners and the placings.

The aim to provide at least 6 matches for every team (depending on entry numbers). All matches will be timed, one set matches, with rally point scoring. All teams will share the officiating.

What standard is it suitable for?

The tournament is suitable for every standard of volleyball player, from National League division 1 to local league division 3. The nature of the first round split means that every team will play most of their games against teams of similar ability.
